I seek refuge in Allah from Satan, the rejected one.

In the Name of Allah, the Most Beneficent, the Most Merciful

Praise be to Allah, the Lord of the Worlds. And May the peace and blessing of Allah, be upon the most noble of the messengers, our Master Muhammad ﷺ and his holy family and holy companions. O Allah You are the eternal, anciently the First from the beginning. And our reliance is upon Your Magnificent Grace and Generosity! And for this new year that is ahead of us, we seek Your protection from the shaytan and his helpers and his armies! And we ask for Your support against this Nafs e Amara (lower level of ego) which incites to evil. And we seek Your support in pre-occupying ourselves with that which draws us closer to Your proximity. O Owner of Majesty and Reverence! O' the Most Merciful of the Mercifuls. O' Allah, the Most Exalted, send peace and blessings upon our Master Prophet Muhammad

ﷺ and upon his holy family and companions. All Praise is [due] to Allah, the Lord of the Worlds.
